Robust & Productive | Our Lowest Ever Rate | Latest 2.5t Doosan Model | Get a FREE no obligation quote

Windsor is the UK's leading independent MHE and access equipment provider.

We are single-minded in our approach to keeping our customers' equipment operating safely, at peak efficiency and at the lowest operating costs.

That's why we work with suppliers like Doosan to offer a high spec machine at a low cost:

- Oil Cooled Disk Brakes
- Excellent Safety Features
- Eco Fuel Mode
- Lifts over 3 metres

... all backed up by excellent local service.

Established for over 40 years as a professional, family business, we have hundreds of happy customers up and down the country. We have hundreds of forklifts and access platforms in our hire fleet.

To find out more, or ask about our latest offers, call Windsor on **01744 451120** or contact cwalsh@windsor-mh.co.uk

Windsor. We understand local business, because we are one.
